RANDOM NOTES:

The Thanksgiving feast is complete and November is in the rearview mirror. With December now underway the "Nutcracker" is being performed at various venues throughout the area heralding the Christmas season. This is the season of Christmas cards, lights, shopping and catching up with family and friends as we gather to celebrate the holiday season. December brings the Winter Solstice marking the day with the shortest period of daylight and the longest night of the year. It occurs when one of the Earth's poles has its maximum tilt away from the Sun. For us in the Northern Hemisphere this occurs on December 21st.. Besides the Winter Solstice December brings us Christmas Day and New Year's Eve. (W. Witczak)

December meeting at Trent's in honor of Marlin's 98 th. (39 th.) Birthday.

Ken reminds us to: Bring your copy of the survey.....Your 2019 dues...Children's books to Sandy Onsager which she will donate to Mandarin Food Bank.
