Dear Cecil Pines Car Show Supporter,

Greetings from everyone at Cecil Pines. We hope you had a great summer and are ready for a little change in weather! We are writing to invite you to the 16th Annual Cecil Pines Antique Car Show and Open House, which, as always, is held on the second Saturday in November, this year the 10th, from 10AM – 2PM. Due to the support and generosity of the many fine folks attending the show over the past fifteen years, we have contributed just over \$57,000 to our chosen charities of the Alzheimer's Association and The American Cancer Society.

We will continue the tradition of no entry fees, no judging, and no hassle, just FUN and FREE! We will again be providing food, entertainment & drawings. This year we will have the drawing for the \$300 money shirt again! D J Jim will be back again for our listening pleasure.

MINUTES FROM THE TOSCANOS MEETING

Woody reported a positive Balance in our Budget for the month .He mentioned sending \$110 to National for our share of liability insurance. We discussed contributions to Red Cross and Cecil Pines which were ok'd by members. No additional funds to Rodehaver.

A round of applause to Alan & Elinor upon his return from sick leave and on the occasion of their Anniversary. :)

El Presidente reported on the Cruising to the Creek Show. We had a group of 12 cars...Model A Club as well as our club. 182 cars were in attendance, 50 awards handed out. We had 7 awards of the 50....FCCC donated \$7,500 to Ronald McDonald House.

Ken mentioned upcoming Brookdale, Cecil Pines Nov 10, and Christmas Party at Penny Farms.

We have 4 Free Memberships to hand out for the National AACA.

Ellis won a special prize of Clive Cuslers book of his Classic Car Collection.

Yours Truly had the Car Talk on my first car. A \$50 1953 Ford Tudor which had been used as a storage shed. I emptied out all of the trash only to discover that the roaches now had me for their source of food. A weeks worth of bug bombs made the Ford suitable for use for me in my friends...In High School if you have a car you have many friends. The Ford took me thru High School and Junior College in Daytona where I met my lovely wife Janice...and that's my story.....
